From the East

Don Moyer - Worshipful Master

**Don Moyer**  
**Worshipful Master 2011**

The New Year is upon us bringing new officers, brothers, friends, and resolutions. It is a humbling yet pleasing event when one is installed as Master of the Lodge. There are also some tremulous moments when considering the tasks ahead. I have no way to adequately thank all the brethren for their confidence in putting me in the East except to say that I will do my best. It will be an honor to serve with the exceptional officers of this lodge.

Family and friends made the installation special and we all appreciate your presence. We all owe a special thanks to our families for supporting our efforts in Masonry. It is their support that gives us the time necessary to pursue our labors.

I am looking for additional ideas for fundraising events. It has become obvious to many of us that we keep going to the same well expecting to find

more water than the previous day. Please help me come up with additional ideas that incorporate two fundamental goals. We need to concentrate on raising money from outside the fraternity(s) and getting Masonic information out to promote new membership. The golf tournament we do in association with Sabbar Shrine fits these requirements. Thank you, Brother Gil, for your efforts here. We have had successful garage sales in the past and should organize more. Thank you, Brother Stan, for the use of your location and efforts for the garage sales. We had Brothers work concession to raise funds and we thank you Brothers James, Stan & Gil. Thanks to all the Brothers who have participated in fundraising events or supported them. Our work is not done.

I firmly believe that we have something special to offer to the community. Brotherly love, relief and truth are needed in every aspect of our lives and many men are searching for these tenets without realizing what they seek. We need to be delivering literature whenever and wherever we can.

Merry Christmas and a Happy New Year to you! Now, go out and spread the cement of brotherly love and affection!

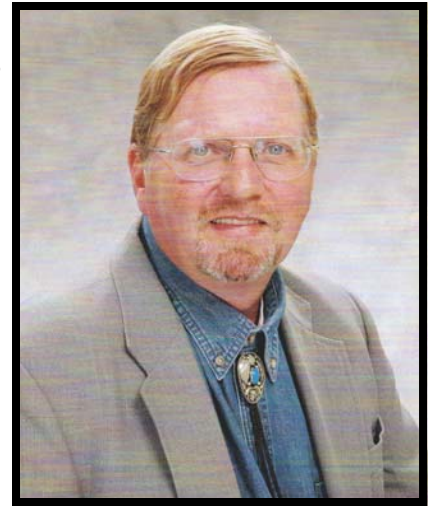

WM Don Moyer - Aaron Lodge #49

Secretary's Desk

As we begin the new year under the leadership of WM Don Moyer we are reminded of some goals to improve the Lodge; sort of like those pesky New Years resolutions. Ritual work has to be a top priority, especially for those Brothers who aspire to go through the chairs to the East. We also need to be diligent to secure our financial future. And not lose sight of our real purpose to contribute to the betterment of our community. We will need to have some fund raisers to keep the Bikes for Books program going.

Participation is the key to achieving goals. So, please be at as many meetings as possible.

## A Note from the Editor

Gil Mowbray

Brothers, each month I strive to put forth a quality publication for the benefit of Aaron Lodge #49. I feel this publication should be informative, entertaining and educational. To continue to do this I will need your help. I need Brothers to submit articles that they feel that they and their Brothers would care to read. Continuing Masonic education is an important subject that needs to be covered every month. Articles on the impact Masons have on the community is extremely important. We need to know what our ancillary Masonic bodies are up to. Even if you have a subject you would like to cover that is not necessarily Masonic in origin but you feel your Brothers might enjoy it, then please submit it.

The more submissions I receive the better informed, educated and entertained our Brothers will be. So please feel free to submit articles, pictures, puzzles or jokes. If you can get them to me by the 20th of each month it will appear in the next month's issue. Just email your submissions to the following email address: editor@aaronlodge49.net, or give just them to me at the Lodge.

Thank you, Gil Mowbray - Editor Trestle Board Aaron Lodge #49
